Re-Submission of previous amendment

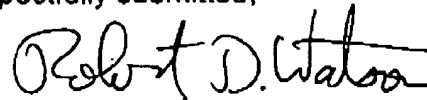

Dear Examiner Cintins:

In response to the Office Action mailed 11/06/2006, Applicants **re-submit the same Amendment** that was faxed to the Office on Aug. 24, 2006, which apparently suffered from a **defect** in the facsimile transmission process that created an unintended **vertical line** through the text.

Applicant apologize for this unintended problem, and hope that the present transmission will be sufficiently clear and legibly written.

Application No. 10/039,947
SD-6858 Moore

Respectfully submitted,
